

MKCPS Annual Open Competition

Entry information and scoring procedure

1. The Annual Open Competition is separate from the internal league competitions, the creative digital competition, and all external competitions.
2. Only NEW work, taken between last year's Open and this year's Open is eligible for entry. Images may have been entered in the other internal competitions during the current competition year or may be new work not shown before.
3. There are two media sections: prints and PDIs. The same image cannot be entered in both sections.
4. The maximum number of entries per author is three prints and three projections.
5. All entries must comply with the Internal Competitions Rules for the submission of entries.
6. The competition will be judged by club members in attendance on the night of the competition. The voting method will be announced by the Competition Secretary.
7. The winners of each media section will be announced. By virtue of a show of hands, club members will vote for "Best on Night" and the winning author will receive the Competition trophy.
